The objective of the RCYFL & SYFA is to teach youngsters the basics of football and instill in them a love for the game that will effect them positively for years to come. It should not be a, "win at all costs endeavor." It is the desire and goal of the RCYFL & SYFA to appoint as coaches individuals that are perceived to be persons of strong character that share in this philosophy.

The RCYFL will serve as a feeder program for Rockingham County Middle and High School. The SYFA, located in Northwest Guilford County, likely will provide experience for kids who will play football at Rockingham County High School, Oak Level Baptist Academy in Stokesdale, Northwest High School, & McMichael High School in Madison. Players should be improving from year to year in order to move into the middle school program in 7th grade. Poise and composure are as important to "winning" football as is toughness and physical skill. Coaches should serve as role models in this and all other areas. Use of profanity as well as tobacco products in the presence of players is prohibited. The RCYFL & SYFA directors and internal committee reserve the right to discipline coaches in a compensatory manner when they fail to live up to the above standards.

I, the undersigned do hereby understand and agree to the objectives, desires, goals and philosophies of the RCYFL & SYFA. I also understand that I may be subject to disciplinary action(s) if I fail to abide by these standards. I also agree to allow the RCYFL/SYFA/AYF to administer a criminal background check as part of the screening process.
